Dear Parent/Guardian,

We would like to invite your child to be a part of the M.A.C.K. Foundation's Mentoring and Tutoring Program in conjunction with Amerasian Christian Academy (ACA)!

This year we will be collaborating with Colgate University, New York in connection with Yonsei University, Korea to enhance our programming.

Our hope is that this Mentoring and Tutoring Program will help your child increase their chances for academic and life success, as well as increase their awareness of diversity. In addition, we provide an end of the year scholarship to a participant with the best attitude and attendance.

Some of our program events include:

- Tutoring (All subjects)
- Awareness education
- Cultural celebrations
- Cultural programming
- Volunteering
- Team building activities

This is a totally free program that meets every other Saturday. We provide snacks on meeting weekends and the M.A.C.K. Foundation will sponsor any other event with the program.

Most of our meetings will be held at Vision International Chapel. However, on occasion, we sponsor special trips off site.

We hope that you will give your child permission to actively participate in our yearlong program and encourage you to take full advantage of what we are offering.

We truly believe that our program will be instrumental in helping your child increase their chances for academic and life success.

If you have any questions or would like more information please contact us at any time or visit our website at: themackfoundation.com or Amerasian Christian Academy (ACA) at: www.amerasian-christian-academy.com
